

## WHAT'S THE WEATHER LIKE?

- 1 Where does the north wind come from?
- 2 Which four things in the picture tell you how strong the wind is?
- 3 What are the four kinds of 'precipitation'?
- 4 In the middle of the day, is the sun high or low in the sky?
- 5 Can you see clearly when it is foggy?
- 6 What are the three types of cloud?
- 7 What is the climate in Barbados?
- 8 What is the climate in Belfast, Northern Ireland?
- 9 What is the climate in Naxos, Greece?
- 10 What is the climate in Spitzbergen, Norway?
